

Juarez Barbosa Junior is a Sr. Principal Java Developer Evangelist – Director of Developer Evangelism at Oracle. Previously, he was an Azure Developer Relations Lead at Microsoft and a Thought Leader and Technical Evangelist at IBM.

Juarez Barbosa Junior has over 20 years of professional experience, having held senior leadership roles in DevRel, software engineering, and startup-related initiatives. His knowledge comprises Java, Python, Cloud Computing (Oracle OCI, Azure, GCP, IBM Cloud, and AWS), DevOps, IaC, CI/CD, and Cloud Native.

Juarez Barbosa Junior has experience engaging the C-Level in technology and business transformation journeys, aiming at explaining complex business and technology-related scenarios to technical and non-technical audiences. From a technical standpoint, I am an expert in Java language, JDK, and JVMs (Java Virtual Machines).

Juarez Barbosa Junior has extensive experience and knowledge in Cloud Computing (Oracle OCI, Azure, GCP, IBM Cloud, and AWS), DevOps, Infrastructure as Code (IaC), Continuous Integration / Delivery (CI/CD), and Cloud Native. Also, I am a polyglot Software Engineer with experience in Java, Kotlin, Golang, Python, C, C++, and Javascript, and lately, I have been learning Rust.

Juarez Barbosa Junior has also acted as a Mentor for Microsoft for Startups. IBM has nominated me as an IBM Technical Rock Star for Cloud, IBM Redbooks Thought Leader, Technical Evangelist for IBM Mobile, and Nokia Developer Champion.

Juarez Barbosa Junior has received awards - IBM Manager Choice Award, Superior Community Service Contributions - Forum Nokia Wiki, IBM Hall of Fame Awards, IBM Common Development, Test Outstanding Contribution Awards, and IBM Mobile Enterprise Social Media Residency - Outstanding Contributor.

Feel free to invite Juarez Barbosa Junior to speak about Java, Microservices, Software Architecture, Solutions Architecture, AI and GenAI, DevOps, Cloud Computing (Oracle Cloud, Azure, AWS, GCP, IBM Cloud), Emerging Technologies (IoT, AI, Blockchain, XR), and Cybersecurity.
